Issue No. 3

Milestones: We are happy to inform that YouSee received INR 710,072 as PostPay donations as on mid October, 2011, since inception, primarily from individual donors. INR 49,534 (7%) of this has been received through contributions from Waste Donation camps . YouSee received a grant support of Rs 4,500,000 from MSDF (Michael and Susan Dell Foundation) in May, 2011, for the project titled "Establishing Standards of Reporting in Indian Grant Making Through a project Aimed at Transforming Lives of Excluded Families". YouSee has started deploying this grant to demonstrate Results in Development projects through the PostPay Philanthropy Model on a larger scale.

Support extended to Ashray Akrti

YouSee signed an agreement to support the cost of teachers for two classes at the School for hearing impaired children run by Ashray Akrti (www.ashrayakrti.org). YouSee disbursed a grant of Rs. 45,000/- to support this work for the first quarter. The first result certificate of this work is available on YouSee website.

IGS expands community driven waste management initiative at Indore

YouSee partner IGS has established 5 composting units in residential colonies and public places at Indore. From April to September 2011, 22 tonnes of organic waste has been recycled through composting. On June 25th, 2011 Indore Municipal Commissioner Mr. Yogendra Sharma received the first batch of compost yield from these

Volunteers Speak

"Always people say work for society, YouSee gave me an opportunity to work with them and take pride"

Shashi Mohan Kothari (PGDM IInd yr) ABS

"I am a nature lover. UC is working in the field of environment education and health. I enjoyed volunteering for Waste donation camp. It was a good team work"

Partnership with Move The Wheel Foundation

Baseline assesments for students being done by Volunteers

YouSee in partnership with Move The Wheel Foundation (www.movethewheel.org) who have adopted a Government School at Gowlidoddi (near Gachibowli), have conducted a baseline evaluation of Reading, Writing and Math Skills of the students. This would help the Foundation to plan and track the learning progress of the children during the year. YouSee is also helping with the introduction of multi-media supported learning sessions for the students in this school.

Waste Donation camp at HillRidge

HillRidge Springs Residential community, Gachibowli, Hyderabad, conducted "Do Not Waste, Donate Your Waste" camp in their apartment complex. The program started on 03-July-2011. with the help of green team volunteers, residents at HillRidge Springs.

Books Donated to Pustakar

YouSee deployed books to Pustakar, a Hyderabad based NGO which provides services to various Government and low cost private schools through mobile library facility. These books were received by YouSee in the Waste Donation Camps.

KarmaYog Sevamela

YouSee took part in Karmayog Seva Mela. 57 NGO's participated in this event at Hyderabad on Oct 7th & 8th. YouSee coordinated large scale donation drive with the help of volunteers. YouSee also commenced support to Adhya (www.adhya.org) which runs a school for orphan children at Boduppall, Hyderabad. YouSee handed over Adhya 4 laptops for the children's computer based learning program. We thank GE Hyderabad office for donating these laptops.

Donors Speak

Mr. Venkat Desikan

Love the innovation from YOUSEE, and the commitment is over-delivered with them seeking contributions only after accomplishing the tasks.
